Dear Sir:

In response to the Office Action dated April 2, 2007, for the above-identified application, the Applicant elects Group III, claims 13-18.

The Office Action, on p. 6, states that claim 13 is generic to the species listed as active ingredients in table 1, and requires that Applicant elect a single species and corresponding subspecies. To expedite prosecution in this application,

Applicant hereby elects the following species and subspecies: vitamins and Vitamin E, respectively, in the event that no generic claim finally be held allowable.

Upon allowance of the generic claims, Applicant request considerations of claims to additional species which are written in dependent form or which otherwise include all the limitations of the allowed generic claims.

Applicant hereby requests a three-month extension of time in which to reply to said Office Action, extending the period for reply from May 2, 2007 to August 2, 2007. The Commissioner is hereby authorized to charge the amount of \$510.00 to Deposit Account No. 50-2586 for the requisite fee. The Commissioner is authorized to charge any additional fees due or credit any overpayment to Deposit Account No. 50-2586.
